Re: Ex Parte Presentation, Telecommunications Relay Service and Speech-to-Speech
Services for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123

Dear Ms. Dortch:

The purpose of this filing is to reiterate and re-emphasize that an NPRM should be used to gather information about IP CTS. As we noted in our filing of December 2012, "a normal notice and comment cycle is the appropriate way to approach issues such as this." We continue to believe that an NPRM rather than an Emergency Order is the proper way to develop rules for IP CTS.

Sincerely,

A handwritten signature in black ink that reads "Brenda Battat". The signature is written in a cursive, flowing style.
